Most virtual visits are covered in the same way as they would be if you received in-person care. Medical (pediatric) services are subject to the telemedicine service benefit. Psychology services are subject to the outpatient mental health benefit. Contact the number on the back of your ID card to determine if you have these benefits available. Cost sharing may vary. Virtual Diet & Nutrition and Pregnancy & Newborn (Lactation Consulting) Service are not eligible. You will be responsible for the full cost of these services. All benefits under your health plan are subject to the terms of the benefit agreement and applicable state laws.
